Kate: Now the key to being cool when you ask a boy out is to act like you really don't care if they say yes. Let's practice. (*Kate poses like a Boy and changes her voice to a low sound*) Hi Lara. (*give a cool gesture*)

Lara: Uh hi Kate?

Kata: I'm not Kate. I'm Karl.

Lara: That's a dumb name.

Kate: Just ask me out.

Lara: Hi...Karl . So I'm going to the movies on Friday night and if you're bored and are just sitting home watching some dumb tv show, there might be a seat you could sit on. At the movies. Where I'm at because we cool girls go to the movies. (*At this point Kate starts hysterically giggling which gets Lara mad*) Thanks Kate. That really helps. I already got that from Jessica.

Kate: Look like I said you have to pretend you don't care if they say yes.

Lara: But I do care...

Kate: But you have to ACT like you don't.

Lara: Okay so you show me

Kate: OOOOOkay! Here goes!
Hey... Lara...how it gong?

Lara: (Pretends to be a boy) Im good thanks.

Kate: Cool... So was thinking of going to see the new spiderman movie this Friday, if you wanna go...

Lara: (Pretending to be a boy) Can't.

Kate: (Shocked) No big deal... I'll just ask Jake...

Lara: (Back to being herself) What... Wait... No I wont...

Kate: You just need to make him think you will though and he'll change his mind like that... (snaps her fingrers)

Lara: Ahhhhhhhhhh
